Hi Cody,

[REDACTED]

I know you're swamped, but when you get a chance, could you do me a big favor? Inmate Franklin Sanchez #71927-054 died at MCC on March 15, 2015. He collapsed in 11 South right after the 10:00 AM count. I'm working on discovery in the lawsuit his family filed. I'm pretty certain we didn't preserve any video footage, but would you mind double checking for me? I would really appreciate it.

Thank you!
Steph
